Dear Supporters,

Thank you so much for your generous donation of £152.42 raised through a non-uniform day, to help those devastated by the Earthquake that rocked China's Southwest Sichuan province.

Our local network of over 30,000 staff and volunteers have been working tirelessly, since the earthquake struck, to bring life-saving aid to the thousands of people caught up in the disaster.

In the days following the earthquake, Red Cross staff and volunteers worked with rescue and medical teams to distribute tents, food, water, clothes and medicines around the clock.

The British Red Cross has been doing all it can to support the relief effort, to make sure those affected by the Earthquake receive the help they desperately need. Special attention has been given to addressing the health and psycho-social needs of the most vulnerable groups such as children, the elderly, pregnant mothers, the displaced and disabled, amongst others.

Thank you again for your generous support – we really do appreciate it.

Best wishes,
