Dear Mrs Pattni

Thank you so much for supporting Shelter this Christmas 2006 with your generous donation of £856.09 that was raised through your non-uniform day on the last day of the autumn term. Without your support we would be unable to help around 170,000 people each year. We really do appreciate the fantastic efforts that your school has gone to.

Without the support of your school we would be unable to help make a difference to the lives of one million children in Britain that are suffering in bad housing. Your donation really does mean a lot to these children, as it can help offer them a new start. Your donation can help Shelter provide ongoing support, advice and practical help to families trying to settle into a new home. It can help us carry on important lobbying work with the government, campaigning for policies to protect families from bad housing and provide decent homes for everyone. Like you, we believe a place called home should be a given, not a luxury.

For more information on the issues of homelessness and bad housing, Shelter's Classroom Kit contains fun and educational ways to raise money for Shelter at school. To request your FREE copy, please call 0845 458 4590 or email [schools@shelter.org.uk](mailto:schools@shelter.org.uk). If you have already requested your copy, I hope you have found it useful.

Once again, thank you for your kind donation. Your contribution is invaluable to the continuation of our work.

Best wishes,

Elias Koronis  
Community Fundraising Manager
